Mr. Richard Allen, President
Edmonds School Board
Edmonds School District #15
3800 196th S. W.

Dear Mr. Allen:

This is to confirm the statement I made at our meeting yesterday concerning the City's interest in purchasing the Edmonds Elementary School property located between Durbin Drive, Eighth Avenue, Main Street and Dayton Street in Edmonds.

The City of Edmonds is interested in acquiring the property and the City Council authorized me to communicate to the School Board the City's offer to purchase the property at a price of \$424,000. We request that the School Board consider and advise us if the offer is acceptable.

Sincerely,

Harve H. Harrison
